NEW RIVER GORGE

Where peaceful meets playful.

The New River Gorge National Park and Preserve is an outdoor enthusiasts playground - world class whitewater rafting and kayaking, rock climbing, and hundreds of miles of hiking and mountain biking trails.

OUR FAVORITE THINGS TO SEE AND DO

Sandstone Falls

The best and biggest waterfall in West Virginia makes this an absolute must do!

Fayette Station Road

The drive will take you through the forest and right down to the river with closeup views of the new bridge.

Canyon Rim Visitors Center

There are several trails with great views of the bridge

Grandview

The Rhododendron in the Spring are simply spectacular. This one should not be missed! The lookout is one of the most outstanding views in the park. Bonus is the playground!

WHERE WE STAYED AND DINED

Summers County historic district

A place where small town charm is around every corner

Pies & Pints

Cathedral Cafe

Several cute boutique and repurposed shops

HOW MANY DAYS WILL YOU NEED

I recommend a minimum of 2 days in order to explore the New River Gorge National Park.
