BIG BEND NATIONAL PARK

Remote and beautiful.

Big Bend in the state of Texas is a hiker's paradise. More than 150 miles of desert and mountains trails to explore! Santa Elena Canyon Trail was fun and certainly a favorite! Shoes came off and we waded across the Rio Grand to snap a quick pic on the Mexican side of the river - a must do when visiting Big Bend!

EXPLORING THE BIG BEND

OUR FAVORITE THINGS TO SEE AND DO

Boquillas Port of Entry

A great place to cross to Mexico and purchase small souvenirs.

Boquillas Overlook

Purchase Mexican souvenirs via the honor system with the artists across the river watching and communicating with us! A fun experience for the kids since the Boquillas Port of Entry was closed during COVID!

The Chisos Mountains

Window View Trail

Eastside

Panther Junction and Rio Grande Village

Chihuahuan Desert Nature Trail

Westside

Ross Maxwell Scenic Drive and the Santa Elena Canyon Trail

WHERE WE STAYED

Basecamp Terlingua

We stayed in a Lotus Tent and it was a great glamping experience. Enjoy dinner at Taqueria El Milagro and Starlight Theatre Restaurant. And don't forget to shop local!

HOW MANY DAYS WILL YOU NEED

I recommend a minimum of 2 days in order to explore the Big Bend National Park.
