

EVERGLADES

COUNTLESS ADVENTURES!

"It is a region so different that it hardly seems to belong to the United States. It is full of the most vivid and interesting life on land, in the air, and in the water" - Gifford Pinchot

Everglades National Park is a great and easy park to visit with little ones! Being a FL native this isn't new to any of us but we really enjoyed taking the tram at Shark Valley. The wind kept us cool in the Florida heat and the kids were able to complete rangers packets and earn badges!!

There are countless other activities - fishing; canoeing; camping; airboat rides; - be prepared with plenty of water, sunscreen and bug repellent!
