# LASSEN VOLCANIC NATIONAL PARK

## Full of adventure.

A winter visit to the park definitely has its challenges if you are not prepared! The park roads are mostly closed due to winter weather and if you plan on hiking, snowshoes are a must. There are lots of opportunities for cross-country skiing and sledding for the kids.

# EXPLORING THE LASSEN VOLCANIC

## OUR FAVORITE THINGS TO SEE AND DO

### **Hydrothermal area**

My #1 recommendation is seeing the hydrothermal area. We did the 1 mile (one-way) hike with our waterproof hiking boots from the visitor center.

### **Happy Garden Chinese Restaurant**

Due to COVID we only had 2 choices but this was perfect after a long day outdoors hiking in the snow.

## WHERE WE STAYED

### **Rose Quartz Inn**

306 Main Street  
Chester, CA 96020

## HOW MANY DAYS WILL YOU NEED

I recommend a minimum of 2 days in order to explore the Lassen Volcanic National Park.
