

EXPLORING NATIONAL PARKS

BADLANDS

43.8554° N
102.3397° W

Blaze your own trails.

At Badlands National Park, we found that the best course of adventure is to choose a direction that looks good and start walking! There are only around twenty miles of trails for hiking in the park, so you're guaranteed to have a great time. Remember to watch out for rattlesnakes!

OUR FAVORITE THINGS TO SEE AND DO

Yellow Mounds Overlook

A great place to get a look at older geology in the form of brightly colored rock layers.

Cliff Shelf Nature Trail

This short loop trail is great for scenic views of the Badlands.

Pinnacles Overlook

The highest elevation in the North Unit is a popular stop on the Loop Road.

The Ranch Store

Right outside the park. Stop and feed the amazing prairie dogs!

WHERE WE STAYED AND DINED

Rapid City, South Dakota

HOW MANY DAYS WILL YOU NEED

I recommend a minimum of 2 days in order to explore the Badlands National Park.
