CANYONLANDS NATIONAL PARK

**The largest national park in Utah, with diversity
that staggers the imagination.**

The Island in the Sky sits atop a massive 1500 foot mesa, quite literally an island in the sky. Twenty miles (32.2 km) of paved roads lead to many of the most spectacular views in Canyon Country.

EXPLORING THE CANYONLANDS

The Island in the Sky sits atop a massive 1500 foot mesa, quite literally an island in the sky.

Twenty miles (32.2 km) of paved roads lead to many of the most spectacular views in Canyon Country. From these viewpoints you can see over 100 miles (161 km) in any given direction of canyon country. We took a short hike and enjoyed the sunset at Mesa Arch... a must see location!

Sunrise and sunset are particularly beautiful times of day to enjoy these lofty panoramic views of canyon country.
