YOSEMITE

Experience the grandeur of Yosemite Valley.

The Inspiration Point Trailhead leads to an amazing hike which is only 1.2 miles, but you can stop at any point that you have solitude to see much of the grandeur of Yosemite Valley including El Capitan, Clouds Rest, Half Dome, Bridalveil Falls and Cathedral Rocks.

OUR FAVORITE THINGS TO SEE AND DO

Mist Trail

Able to see Vernal Fall, Nevada Fall, John Muir Trail. We absolutely loved this trail!

Valley Loop

An easy but long loop. The bus stopped at many points along the hike so you can do as much or as little as you want.

Bridalveil Fall

Easy and lots of tourists

Mirror Lake and Beyond

This was recommended but we didn't have time to fully explore

El Capitan

Seeing from both afar and up close are both spectacular
