A spectacular window into the past.

Mesa Verde (Spanish for green table) was established to preserve archaeological sites built by the Ancestral Puebloans who inhabited Mesa Verde for more than 700 years (550 A.D. to 1300 A.D.). Currently Mesa Verde has over 4,700 archaeological sites including 600 cliff dwellings.

EXPLORING THE MESA VERDE

There is no better history lesson than having a spectacular first hand look at the lives of the Ancestral Pueblo people who made Mesa Verde their home for over 700 years. The park is magical in the winter! It's only a short drive from Cortez and Durango and a beautiful place to hike, learn about history and see Southwest Colorado. Fair View Lodge and Morefield Campground are within the park but are only open seasonally, so we stayed at Starry Nights Ranch and Bed & Breakfast.
